Meet Vinnie Sarrocco, one of Seattle's rising literary voices and a feature on the city's open mic scene, at the Chatwin Books booth (#2351) from 12:30 p.m. to 1:30 p.m. on Sunday, Jan. 27.

Chatwin is excited to publish Sarrocco's debut poetry collection, *Poems for the Garbage Man*. Sarrocco writes punk poetry that is a rare combination of form and content: 90's crusty punk narrative and context, told in a stylistically solid voice.
